🔥 Limited seats are available; register now and hack the future with us!

RocketRide

RocketRide is an **open-source, developer-native AI meta-harness**. Build, debug, and deploy production AI workflows **within your IDE**, and **RocketRide Cloud** is a managed engine, the same runtime is operated for you. It runs your AI workflows at a fraction of the cost on our proprietary model server, scales without the infra hassle, and lets your whole team build on shared pipelines together.

- 📁 **Free credits:** RocketRide is giving away free credits for RocketRide Cloud, 100% off your first purchase with a promo code. Join the [Discord](#) to communicate and grab your code.
- 📖 **Step-by-step guide:** Setup, demos & how to build on RocketRide (Cloud + open-source): [Click here](#)
- 🚀 **Submit your project:** Head to the [Discord](#) and type /submit in any channel to submit your build. Need help? Ask our bot in #support questions about your project or the tools, just ask.

Let's build something awesome together. 💻 ✨

🚀 **Hackathon tip:** don't lose demo time to infrastructure

Judging goes faster when you can hand over a live link instead of screen-sharing localhost. **RocketRide Cloud** lets you deploy your pipeline straight from VS Code to a shareable, always-on endpoint, no last-minute rewrites before demo time.

It's free today with the promo code:

1. Log in at cloud.rocketride.ai (creates an account if you're new)

2. Enter the promo code
3. Done, start deploying

✨ **Additional tip:** If you use [Rocketride cloud](#) in your project, you'll earn bonus points, grab the opportunity to score 2x points! 🚀

Need help? We're around all day, on-site and in Discord (<https://discord.com/invite/PMXrtenMsY>).

Happy Hacking!! 🚀

Event Terms & Consent

By registering, you agree to the event [terms and conditions](#). RocketRide reserves the right to refuse admission or remove attendees at its discretion to ensure a safe and high-quality experience for all guests.

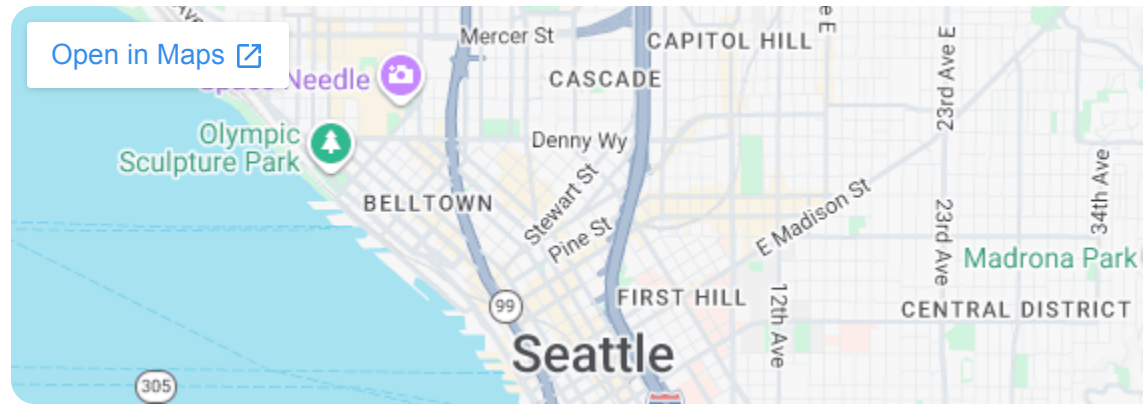

Please note that photography and video recording will take place throughout the evening and may be used by RocketRide for future marketing, promotional, and community content.

Let's build something awesome together. 🖥️ ✨
